

Techno Commercial Details

Cocoon Occluders

Cocoon Septal Occluder (ASD)

- Self-expanding, self-centering double-disc device
- Platinum coating of $\leq 25 \mu$ using nano fusion technology
- Polypropylene fabric sewn inside the occluder device
- Available in sizes up to 40 mm
- 6F delivery cable available in individual packaging
- Publications of more than 1,000 patients in a journal with impact factor greater than 1
- Publications demonstrating minimal nickel leaching up to six months follow-up
- Sheath (Fr): 6,7,8,9,10,12 & 14
- Delivery Cable (Fr.): 5 & 6
- CE & DCGI Approved

Cocoon VSD Occluder (VSD)

- Self-expanding, self-centering double-disc device
- Platinum coating of $\leq 25 \mu$ using nano fusion technology
- Polypropylene fabric sewn inside the occluder device
- Available in symmetrical disc sizes with waist length of 4, 7, and 10 mm
- Delivery cable available along with cable sheath in individual packaging
- Soft and flexible distal end of delivery cable to navigate in various anatomies
- Availability of 'S-shaped' sheath
- Delivery Cable(Fr): 5 & 6
- Sheath Size: (Fr): 6 & 7
- CE & DCGI Approved

Cocoon Duct Occluder (PDA)

- Hat-shaped designed PDA occluder device
- Platinum coating of $\leq 25 \mu$ using nano fusion technology
- Polypropylene fabric sewn inside the occluder device
- Extended retention portion provides proper positioning of the device in the ductus arteriosus
- 5F and 6F delivery cables available in individual packaging
- Clinically proven safe and effective PDA occluder
- Publications demonstrating minimal nickel leaching up to six months follow-up
- Delivery Cable(Fr): 5 & 6
- Sheath Size: (Fr): 6, 7, 8 & 9
- CE & DCGI Approved

Cocoon PFO Occluder (PFO)

- Self-expanding, self-centering double-disc occluder
- Platinum coating of $\leq 25 \mu$ using nano fusion technology
- Polypropylene fabric sewn inside the occluder device
- Available in 6 sizes, 5 sizes (18/18, 25/18, 25/25, 30/25, 30/30 mm) which are 8F compatible and 1 size (35/25 mm) which is 9F compatible
- 6F delivery cable available in individual packaging
- CE & DCGI Approved
